

***The family with an elder person  
in it possesses a jewel.***

Chinese proverb

**T**hroughout your life they've always been there for you. Now it's up to you to ensure that your elderly loved one receives the compassionate and quality care they deserve.

At Home Comfort Care we understand the challenges of the aging process. Depend on us to provide the loving care that will allow your loved one to maintain their independence and dignity.

## ***Home is Where They Want to Be***

**I**t's no surprise that most people prefer to live independently for as long as possible, remaining in their own private and familiar surroundings. When it comes to your aging loved one's happiness, well-being and quality of life, there's just no place like home.

Call Home Comfort Care today for a free no-obligation in-home assessment. We'll discuss your options and create a customized care plan that works for your entire family.

## ***We're Here for You***

**C**aring for an aging loved one is never easy. When you're ready for some help, call Home Comfort Care.

Owned and operated by a registered nurse (RN) and a social worker, each with 15+ years of elder care experience, Home Comfort Care truly understands the social, physical and medical needs of the elderly.

You can depend on us for...

- Reliable, quality, compassionate care
- Pleasant and patient caregivers
- Initial assessment by an RN
- 24/7 access to your case manager
- Frequent contact with family members

...and the peace of mind that comes from knowing that your loved one is happy and well cared for.

## ***The In-Home Solution***

**W**hether you're looking for part-time or full-time care, live-in or live-out, short-term or long-term, Home Comfort Care can help. Care includes:

- Encouragement and assistance with activities of daily living
- Meal preparation
- Light housekeeping
- Laundry
- Grocery shopping and errands
- Transportation for appointments and shopping
- Help with pet and plant care
- Medication reminders
- Reinforcement of physical therapy or daily exercise
- Assistance with bathing, dressing, toileting, and grooming

## ***Caregivers Who Truly Care***

**W**hat are the qualifications of a Home Comfort Care caregiver? First and foremost, we look for kind, supportive, patient and caring men and women with an affinity for working with the elderly.

In addition, our caregivers all undergo a rigorous background check, including employment references and criminal records. Most are Certified Nurses Aides (CNAs); all are CPR certified, TB tested, legal residents of the U.S., and speak and understand English.
