

THE MIDWESTERN CLEAN ENERGY CONVENTION

**REGISTER NOW FOR UNIQUE BUSINESS
& EDUCATION OPPORTUNITIES**

PARTICIPATE in a Unique Event

The Midwestern Clean Energy Convention is the first and only trade show to focus exclusively on clean energy and the clean energy economy in the Midwest.

TAP INTO the Growing Midwestern Market

Although the Midwest's clean energy industry often gets overlooked on the national scene, Ohio is already the hometown of many of the major players in the renewable energy field.

There's already a lot of buzz and excitement here in the area of clean energy. And there's already more to the area's clean energy market than just renewable energy firms – there's also a growing cadre of business service providers specializing in this niche, too.

The Midwestern Clean Energy Convention will enable you to tap into and take advantage of all of this.

EXPAND Your Business

Participation as a sponsor and/or exhibitor is your chance to expand your firm's geographic footprint, develop new business relationships, and gain exposure to thousands of conference attendees who are interested in the clean energy field.

October 19 – 22, 2015

Greater Columbus Convention Center
Columbus, Ohio

Top 5 Reasons to Attend

1. Grow your business in the Midwestern renewable energy market
2. Network with your prospective customers, suppliers and partners
3. Exhibit to a fresh audience of organizations and individuals
4. Discover the many possibilities in the Midwest clean energy market
5. Learn about the latest technologies, research, issues, initiatives and developments in the clean energy industry
